- 2019 ACOMM Award winners are NOT eligible for a 2020 Award **for the same product/service**.
- Submissions are invited from Australian organisations and individuals, which operate within the Australian communications sector irrespective of size or geographic location. Companies whose business activities cut across multiple economic sectors may apply for an Award and will be considered on the basis of their contribution to the communications sector.
- Fully owned subsidiaries of an Australian company are eligible provided that they operate in the market as a separate business with an identity that is distinct from that of its parent company.
- An Australian subsidiary of a company with a foreign head office will be eligible for an Award provided that it is an operational entity and not merely a representational office.
- Awards will be judged primarily on the basis of eligible performance and contribution within the Australian communication market. In the case of close competition, judges may consider performance and contribution outside of Australia as a secondary factor for certain of the Awards.
